# GLADIOLUS

# GLADIOLUS—(Continued)

Gladioli are profitable providing the stock you buy is healthy. Our bulbs are carefully graded and treated against disease. The bulbs are stored in cool rooms, shipment can be made any time. OUR BULBS ARE GUARANTEED TO BE FREE FROM THUMP UP TO SIZE AND TRUE TO NAME. Varieties marked \* are recommended for commercial growing especially in the South.

					EXHIBITION MIXED—Made up to individual orders from a select list of varieties, wide range of colors.	1.35	12.00	1.10 10.00

## LEADING COMMERCIAL DAHLIAS

### OUTSTANDING NOVELTIES AND CUT-FLOWER VARIETIES

Dahlias, long-time garden favorites, have within the past few years become the most important of our outdoor-grown cutflower crops.

This is undoubtedly due to the many fine commercial varieties recently introduced—easier to grow—and less affected by adverse weather conditions. They produce more flowers over a greater period—flowers that pack better and keep longer.

## GIANT FLOWERING HYBRID AMARYLLIS

Few flowers rival the Amaryllis in grandeur, range of color, or simplicity of culture. Considered one of the most popular items in the flower line.

### GIANT HYBRID AMARYLLIS

A good strain producing large size flowers, but only obtainable in mixed colors.

	Per Doz.	Per 100
2-2½ inches in diameter .....	\$1.75	\$12.50
2½ to 3 inches in diameter .....	2.50	18.00
3 to 3½ inches in diameter .....	3.50	25.00

## CRINUMS

Large, showy flowering bulbs, closely allied to Amaryllis. Crinums are ornamental summer plants, the strong foliage producing a tropical effect. Excellent for planting in conspicuous positions on terraces or lawns, or in corners to combine with architecture or statuary for summer effect.

	Per 100	Per 1000
FIMBRIATULUM—One of the most popular of the Crinums. Pure white with distinct red stripes through center of petals .....	\$8.50	\$80.00
GIGANTEUM—Large flowering type, pure white, makes an excellent greenhouse plant, or will do very well outdoors in the Summer. ....	\$8.50	\$80.00

## HARDY LILIES

	Per 100	Per 1000
REGALE—(Myriophyllum)—One of the finest Lilies for florists. Strong stems 3 to 5 ft. high, producing large clusters of beautiful flowers. Centers are flushed bright golden yellow, shading to creamy white outer edges. Trumpet shaped white flowers. ....		
4/5 inches .....	\$7.00	\$55.00
5/6 inches .....	9.00	80.00
6/7 inches .....	11.00	100.00
PHILIPPINESE FORMOSANUM—Graceful appearance, long wide-mouthed trumpet flowers of pure white. 2 to 3 ft. high. Requires slight protection .....	10.00	90.00

## TUBEROUS ROOTED BEGONIAS

With a dependable supply of excellent stock now being produced by one of the leading growers in California, these bulbs are once again assuming their old popularity. In addition to making a very fine pot plant, they are most beautiful for outdoor bedding especially in semi-shaded location. For an early showing it is desirable to start the bulbs under glass before planting, but they will come along nicely a little later in the season if planted in a dormant state.

SINGLE GIANTS—Colors include White, Dark Red, Yellow, Orange, Pink, Scarlet, Apricot, Rose, Salmon. ....			
	Per Doz.	Per 100	Per 1000
